

## DTB-AT1005 Clothing Tag

### Air Interface Protocol

EPC Global Class1 Gen2 ISO 18000-6C

### Operational Frequency

(US Standard) 902-928 MHz

### Tag Dimensions

100 \* 50 \* 0.4 mm

## Mechanical Parameters

Inlay Material	PET
Surface Material	Coated Paper
Color	White (Can Be Customized)
Package Style	Single
Size	100 * 50 * 0.4 mm

## Electrical Parameters

Air Interface Protocol	EPC Global Class1 Gen2 ISO18000-6C
Frequency	(US Standard) 902-928 MHz
IC Type	Impinj M730
Memory	EPC 128 bits;TID 96 bits;User Memory:No
IC Life	100,000 Times
Data Retention	10 Years
Application Surface	Non Metal Surface
Reading Range	About 5 m (US Standard, Handheld 1W)

## Other Parameters

Operating Temperature	-20°C~80°C
Storage Temperature	-30°C~120°C
Custom Information	Printing, Coding, Writing data, etc.
Shelf Life	20°C~30°C, 40~60% Relative Humidity, More than 2 Years;
